

Information Circular: SVG

To: Head Traders, Technical Contacts, Compliance Officers, Head of ETF Trading, Structured Products Traders

From: BX Listing Qualifications Department

DATE: January 15, 2009

The BX Stock Market LLC ("BX") began operating as a national securities exchange for trading non-BX listed securities on February 12, 2007. As a result, the Accelerated Return Notes Linked to the PHLX Gold & Silver Sector Index (the "Notes") listed on the American Stock Exchange, which previously traded through our systems on an over-the-counter basis, are now being traded by BX as an exchange on an unlisted trading privileges (UTP) basis.

<u>Accelerated Return Notes</u> Linked to the PHLX Gold & Silver Sector Index, due October 9, 2007	SVG	59021V326

The "relevant link" above is to an information circular regarding the Notes prepared by the listing market, the American Stock Exchange. BX members should consult this information circular, which contains important information about the characteristics of the Notes and the principal risks of an investment in the Notes.

Trading in the Notes on BX is subject to BX equity trading rules. The Notes will trade from 8:00 a.m. until 7:00 p.m. For trading during BX's Pre-Market and Post-Market Sessions, market participants should note that additional risks may exist with respect to trading the Funds during these sessions, when the underlying index's values may not be disseminated.

Trading of the Notes on BX is subject to the provisions of BX Rule 2310. Members recommending transactions in the Notes to customers should make a determination that the recommendation is suitable for the customer. In addition, members must possess sufficient information to satisfy the "know your customer" obligation that is embedded in the BX Conduct Rules.

Members also should review NASD Notice to Members 03-71 for guidance on trading these products. The Notice reminds members of their obligations to: (1) conduct adequate due diligence to understand the features of the product; (2) perform a reasonable-basis suitability analysis; (3) perform customer-specific suitability analysis in connection with any recommended transactions; (4) provide a balanced disclosure of both the risks and rewards associated with the particular product, especially when selling to retail investors; (5) implement appropriate internal controls; and (6) train registered persons regarding the features, risk and suitability of these products.

This Information Circular is not a statutory prospectus. BX members should consult the

registration statement or prospectus for the Notes for additional information.
